

The Commercial Record

September 6, 2010

Dear Business Professional,

Congratulations! Your company has been voted as a winner in *The Commercial Record* Best of 2010 Readers Poll.

The readers of *The Commercial Record* went online and voted during the month of September for their top picks in a variety of categories. Clearly your company is doing something right, as you were selected by our readers and your customers as one of the best providers of products and services in Connecticut! Our readers are the most influential people in the real estate, financial, and construction industries, and you have made an impression on them.

The Best of 2010 winners were recognized in a special section of *The Commercial Record* published in October. Although this section has already published, we'd like to remind you that you still have an excellent targeted marketing opportunity to say thank you to our readers, and all those who voted for your company. Improve your brand and name recognition to *The Commercial Record's* readers, and gather even more votes and new business in 2011!

A PDF of the Best of 2010 winners will be available to you online at:
